

WaterTech Industries Residential **Reionator Pro Ultra**[®]

LIMITED LIFETIME WARRANTY

Applicable to **REIONATOR PRO ULTRA**[®] Models: RXU13-TM

Water Tech Industries (WTI) hereby warrants said equipment, **only to the original purchaser at the original installation location.**

THIS WARRANTY PERIOD BEGINS at the time of initial installation and use. The warranty becomes **valid upon registration of the equipment.**

GENERAL PARAMETERS — This warranty applies only to systems installed on **USA OR CANADIAN residential, municipal (city water) water supplies** that meet US Environmental Protection Agency MCL standards (or similar). REIONATOR PRO ULTRA[®] products installed outside these parameters, will have the Standard Product Warranty rather than the Limited Lifetime Warranty applied – see website watertech.com for details.

LIMITED LIFETIME WARRANTY ON CONDITIONER AND BRINE TANK — Water Tech Industries will replace or repair (at WTI option) any conditioner tank OR brine tank that becomes unusable because of leakage, corrosion or rupture due to manufacturers defect . All internal mechanical components are warranted for a **period of five (5) years** from date of installation.

LIMITED LIFETIME WARRANTY ON RESIN & MEDIA — The **REIONATOR PRO ULTRA**[®] has been designed to use the highest quality water treatment media certified to NSF Standards for quality and performance. If, upon factory inspection, the water treatment media is found to have failed due to a defect in manufacturing labor or materials, Water Tech Industries will furnish replacement media as needed. This warranty does not cover media subjected to waters containing greater than 3.0-ppm of free chlorine/chloramines or containing greater than 1.0-ppm total Iron and/or Manganese. Media which has been fouled by iron, manganese, organics (or other contaminants not designed for treatment by the REIONATOR PRO ULTRA[®]) is not covered.

LIMITED LIFETIME WARRANTY ON CONTROL VALVE — The **REIONATOR PRO ULTRA**[®] has been equipped with the highest quality water conditioning control valve available. If, upon factory inspection, the control valve body or PC board is found to be defective, Water Tech Industries will furnish repair or replacement (at WTI option) of the control valve body and/or the PC board. All internal mechanical components are warranted from manufacturers defect for a period of five (5) years from the date of installation.

EXCLUSIONS AND LIMITATION OF LIABILITY — Water Tech Industries' liability for special, incidental, or consequential damages is expressly disclaimed. In no event shall Water Tech Industries' liability exceed the obligation of repairing or replacing any part that becomes defective under valid warranty coverage as described above. Cosmetic damage that does not affect the process functionality of the equipment is not covered. Water Tech Industries makes every effort to ensure that all illustrations and specifications are correct. However, these do not imply a warranty that the product is merchantable or fit for a particular purpose, or that the product may not vary from the illustrations and specifications.

The warranty contained herein is in lieu of all other warranties, expressed or inferred, including any implied warranty of fitness for a particular purpose. Labor and transportation costs incidental to the delivery or replacement of parts other than WTI factory repairs are not covered under this warranty. In the event of a warranty replacement or repair, WTI will cover the cost of shipping the covered components. This warranty expressly excludes any system which has been damaged by accident, fire, flood, Act of God, abuse, neglect, freezing, excessive temperature (below 40° F or above 110° F.), inappropriate pressure (below 20 psi or above 100 psi), misuse, alteration of product in any way by owner or installing company, product identification tampering, misapplication, installation or operation not consistent with WTI instructions and installation outside of applicable plumbing codes and local regulations. Furthermore, this warranty expressly excludes any system which has been out of service for more than 90 days continuously. Fulfillment of the warranty coverage by WTI is contingent on proper execution of the procedures set forth in the WTI Warranty RGA policy. No person or representative is authorized to assume for Water Tech Industries any liability on its behalf, or in its name, except to refer the purchaser to this warranty. This warranty gives you specific legal rights, you may also have other rights which vary from state to state.

WHAT MUST YOU DO TO OBTAIN WARRANTY SERVICE — The warranty registration (via phone or website) must be completed within ninety (90) days of installation to validate the REIONATOR PRO ULTRA[®] Limited Lifetime Warranty. Units that have not been registered will be covered under the Standard 5/10 Year Product Warranty rather than the Limited Lifetime Warranty. Repair work should be performed by an authorized Water Tech Dealer. In the event that authorized dealer service is not available, defective components may be returned directly to Water Tech Industries with prior approval for warranty service. The registered owner must contact Water Tech for return instructions and return the defective component, freight prepaid, with proof-of-purchase, within the applicable warranty period.
